

Welcome to our services Sunday 19th March

PRAYER...

Come, all who are thirsty says Jesus, our Lord, taste the living water that I shall give.

We come to the well this morning some of us eager to tell our story and some of us eager to never let it be heard.

Welcoming Lord, hear our grief, share our joy, know our fears and receive our questions. Pour out your life for us again. Amen

ST ANDREW'S... MU & uniformed organisations Easter themed coffee morning on Saturday 25th March 11am to 1pm entrance fee 50p which includes refreshments and Hot Cross buns. Proceeds to go towards the work with children and young people served by the parish.

LENT WORSHIP & STUDY...

and will be part of the regular Wednesday service times at St Mary's 10am and St Andrew's 10.45am and then continue on Thursday evenings – venue as advertised in the calendar. We want to encourage you all to try and make one of the services. The sessions and teaching will be similar at each event.

ELECTORAL ROLL... we are just a few weeks from the APCMs at all of the churches and that means the electoral roll (membership list) is under revision. If have not signed up and would like to then please ask one of the leaders to point you in the right direction. Membership is important for all kinds of reasons but one of

those reasons is the ability to stand for office and vote in the annual meetings.

LENT PROJECT... we are continuing to collect throughout lent for the Booth Centre and the Hostel in Harpurhey Toiletries: mainly for men, but some ladies' toiletries would be great as well: toothbrushes, toothpaste, shampoo and conditioner, shower gel, deodorant, razors, shaving foam, wash bags (and for the ladies: moisturisers, sanitary products) Plus any donations of socks, underwear, hats scarfs and gloves would be great!

EASTER EXPERIENCE... we are trialling anew Easter project this year with the primary schools. We will have many hundreds of children visiting our churches in the next few weeks. Please pray for the teams involved, for the children and teachers and don't rule out being partly responsible for answering your own prayers...get involved!

CAMBERWELL PARK have having a coffee morning on Thursday 23rd March from 10 until 11 in aid of Marie Curie. THERE IS CAKE! We have been doing some work with them recently and it would be good to make some links.
